SUMMARY

College junior with experience in Java and Android Platform seeking summer internship.

SKILLS

Programming Languages	• Advanced Knowledge: Java • Intermediate Knowledge: C++, Python, Javascript
Platforms	• Android Platform

EXPERIENCE

May 2013 - August 2014	Mobile Developer, <i>Geographic Information Network of Alaska</i> • Developed a native Android app for the GINA Puffin Feeder service. The application, whose source code can be found on GINA's GitHub , provides access to GINA's near real-time satellite imagery and data from the Geophysical Institute Sea Ice Group. An older version of the application was released on Google Play.
------------------------	---

May 2011 – August 2011	Summer Student Mentor, <i>Fairbanks North Star Borough School District</i> • Worked with failing middle school students to better prepare them for high school expectations and workloads.
------------------------	---

May 2012 – August 2012	Receiver, <i>Beaver Sports</i> • Handled data entry for the backend of a point-of-sale system.
------------------------	---

EDUCATION

August 2013 - Present	Computer Science, <i>Colorado State University</i>
-----------------------	--
